## How We Determine Our HoodQ Scores

SchoolQ Scores are based on publicly available provincial standardized testing results, aggregated at the school level, standardized, weighted, and rescaled to generate a score out of 10.

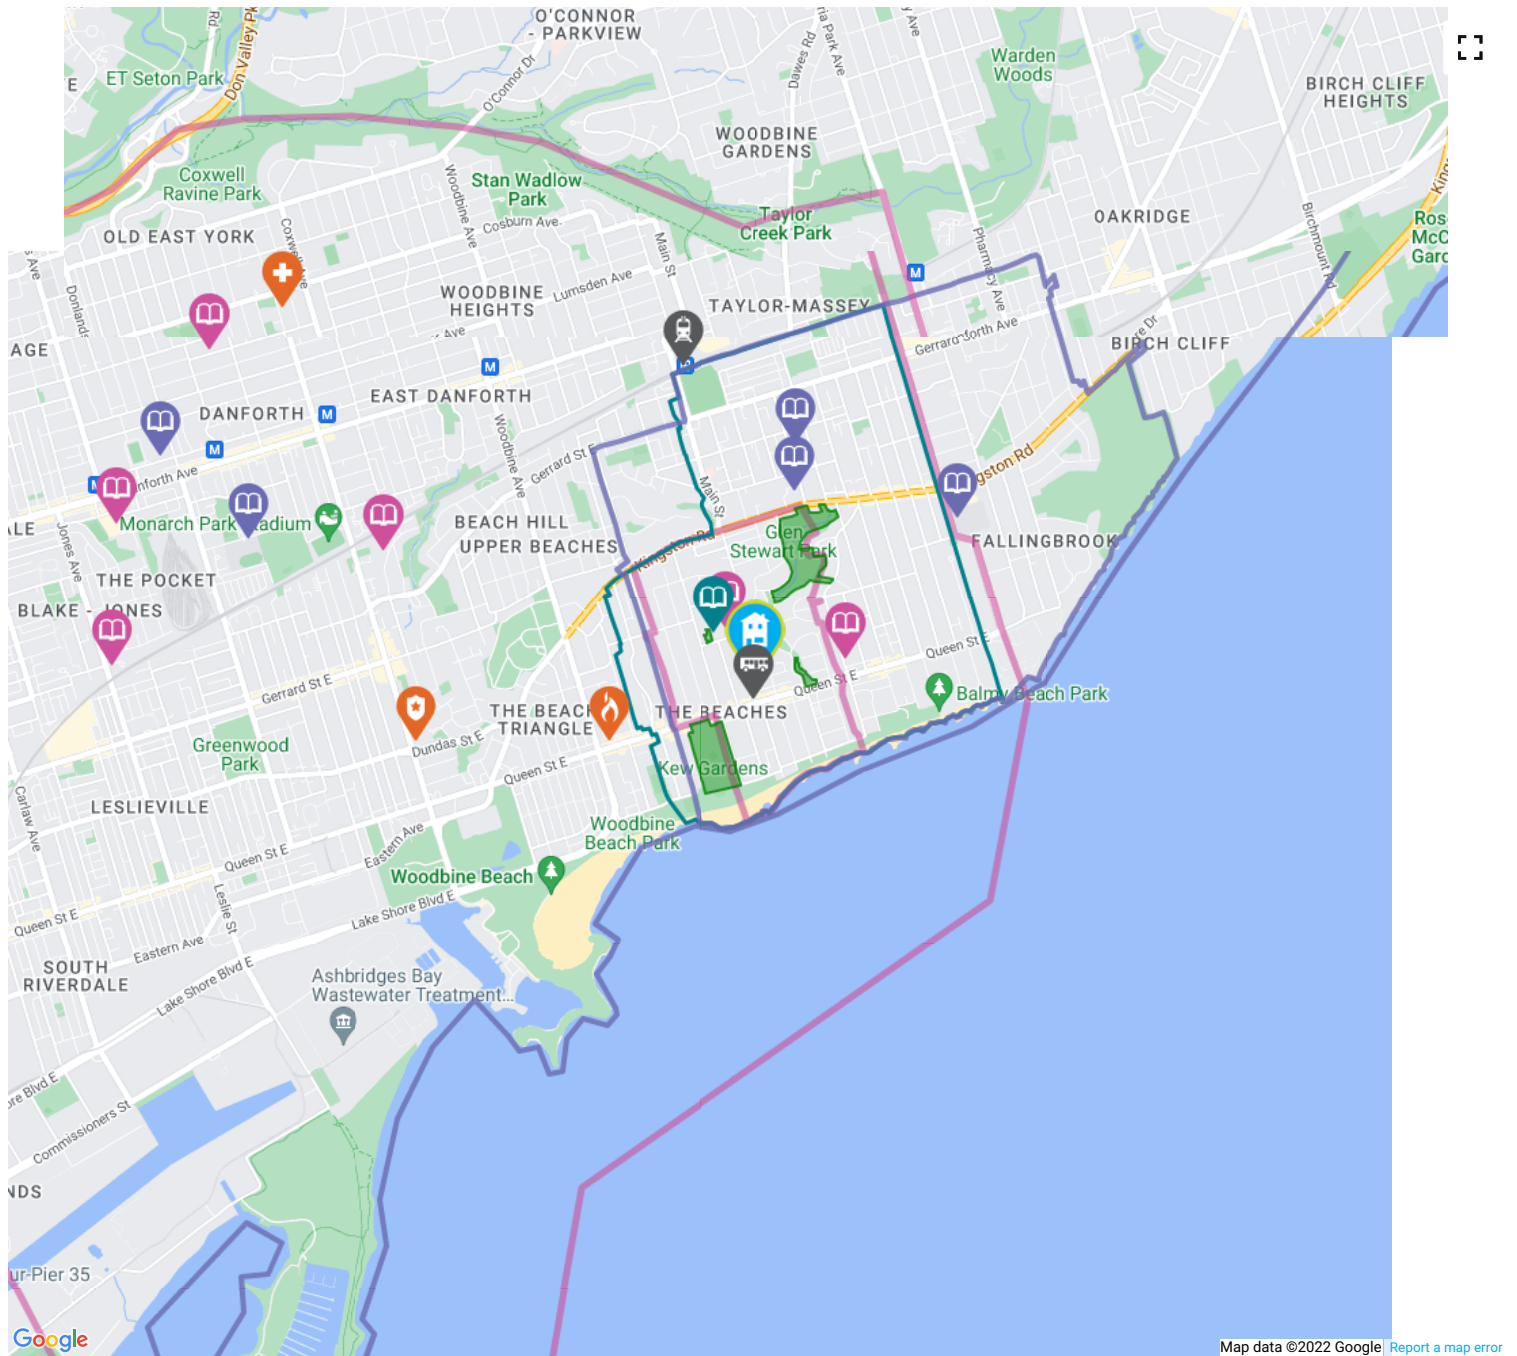

The Parks & Recreation Score is based on two factors - the number of parks and recreation centres near this address and the number of facilities available at those locations.

The Transit Score is based on proximity to public transit access points, both Street-Level and Rail, including buses, streetcars, subways, and trains.

The Safety Score is based on proximity to emergency service agencies, specifically Fire Stations, Police Stations, and Hospitals.

The Convenience Score is based on proximity to Gas Stations, Pharmacies, and Grocery Stores.
