

A MESSAGE FROM THE SELLERS:

The Long Branch neighbourhood has completely exceeded our expectations! When we moved here, we sought more space and were pleasantly surprised to discover that with that space came a variety of beautiful parks and scenic trails, quick and convenient access to transit, and unique and interesting restaurants and small businesses along Lakeshore.

Carnation is truly a hidden gem in this delightful neighbourhood—a modern and well-maintained condominium townhouse, discreetly nestled on a quiet street, yet just steps away from transit and entertainment. The welcoming atmosphere in this neighbourhood made us feel at home from day one.

Unit 122 was an extraordinary find. We were thrilled with the private outdoor space available on each of the three floors, providing the perfect balance between indoor and outdoor living. The open concept main floor was the perfect layout for working, entertaining and relaxing. The primary bedroom, with its two closets and beautiful ensuite bathroom, was a highlight.

We've cherished our time in Long Branch and believe you will love it just as much.
